## **GENERAL HELP DUTY INFORMATION**

A general help duty has been introduced this year because sometimes members cancel their club duty at short notice. If members do not turn up we are left with a situation where we need to ask somebody at the club to stand in on the day.

**Please arrive with your sailing kit incase you are needed to help on the rescue boat.**

### **ON THE DAY:**

If you are not required to step in on the day to cover a cancelled duty then please liaise with the Officer of the Day as there are always jobs to do.

Help the OOD as this is a busy duty.

Please help the OOD:

- Clean the tables on the patio and in the lounge. The kitchen ladies do not generally do this as they are busy.
- Tidy the cleaning cupboard and the clubhouse.
- The beach needs tidying as rubbish is always a problem. Bin bags are in the cleaning cupboard and disposable gloves are behind the bar.
- The dinghy park is also an area that could do with some attention as rubbish soon builds up.
- If you are DIY minded then you could have a look to see if there are any jobs to do. You will need to bring a few tools with you just incase.
- Empty the bins during the day and at the end of the day.
- Stack the chairs under the awning at the end of the day.

If you have any spare time during the day then you could use the time to learn how to cover another duty. You could help in the race box or go out on the rescue boat to get some practice.

The rescue boats will also be available to use in between races if you need to practice your driving or you can ask someone to take you out.

We are a voluntary club and we need to look after the club together.

Thank you for your help.
